

Welcome to

TIGER DAY

Saturday, February 22, 2020

MORNING SCHEDULE

10:00 – 10:30 am

Welcome

Faye Spanos Concert Hall

10:30 am – 12:00 pm

Campus Exploration

See locations below

The Student Life interactive campus tour showcases Pacific's commitment to providing student-centered programming, creating meaningful connections, striving for inclusion and diversity, and fostering development while honoring integrity and accountability.

For student life information:

▶ go.pacific.edu/CampusLife
studentlife@pacific.edu

COLLECT THE WORD FROM EACH STOP AND FILL IN THE BLANKS BELOW.

Stripe 2 Stripe: Tiger Stripes Are Never the Same

Knoles Lawn

We believe that diversity and inclusion are essential to the fulfillment of our institutional mission, providing safe spaces for all to be heard, learn and grow.

Paw 2 Paw: Once a Tiger, Always a Tiger

McCaffery Center

Pacific has over 100 organizations categorized by Academic and Honors, Religious and Service, Diversity and Inclusion and Special Interest.

Pack 2 Pack: Tigers Are Wild About Wellness

Baun Fitness Center

Pacific facilitates a culture of holistic well-being for students through recreation, counseling services, tutoring and much more.

Roar 2 Roar: We Are Tigers, Loud and Proud

DUC Lobby

Our mission is to enhance the social, cultural and educational aspects of student life while expanding students' knowledge and building their leadership skills.

Tiger 2 Tiger: Tigers That Play Together Stay Together

Fraternity Circle

Supporting students from their first day through graduation and beyond and focused on developing and achieving educational and career goals that lead to meaningful lives

Once you've visited all 5 stops and collected the words, fill-in the blank below to complete the phrase. Students who successfully complete the final phrase can bring this program to the closing reception at 2:30 pm to receive a special piece of Pacific gear.

“

!”

1:00 – 1:30 pm

Academic Info Sessions

Various Locations (See below)
Learn the ins and outs of what your academic life will be like from your future deans and faculty members.

College of the Pacific

Humanities and Social Sciences

» Wendell Phillips Center 140 (G,7)

Natural Sciences

» Biological Sciences Center 101 (I,7)

Art, Communications, English, Media X

» William Knox Holt Memorial Library (F,11)

Benerd College

Education

» Education Building (H,7)

Eberhardt School of Business

» Weber Hall 102 (D,12)

Pre-Dentistry

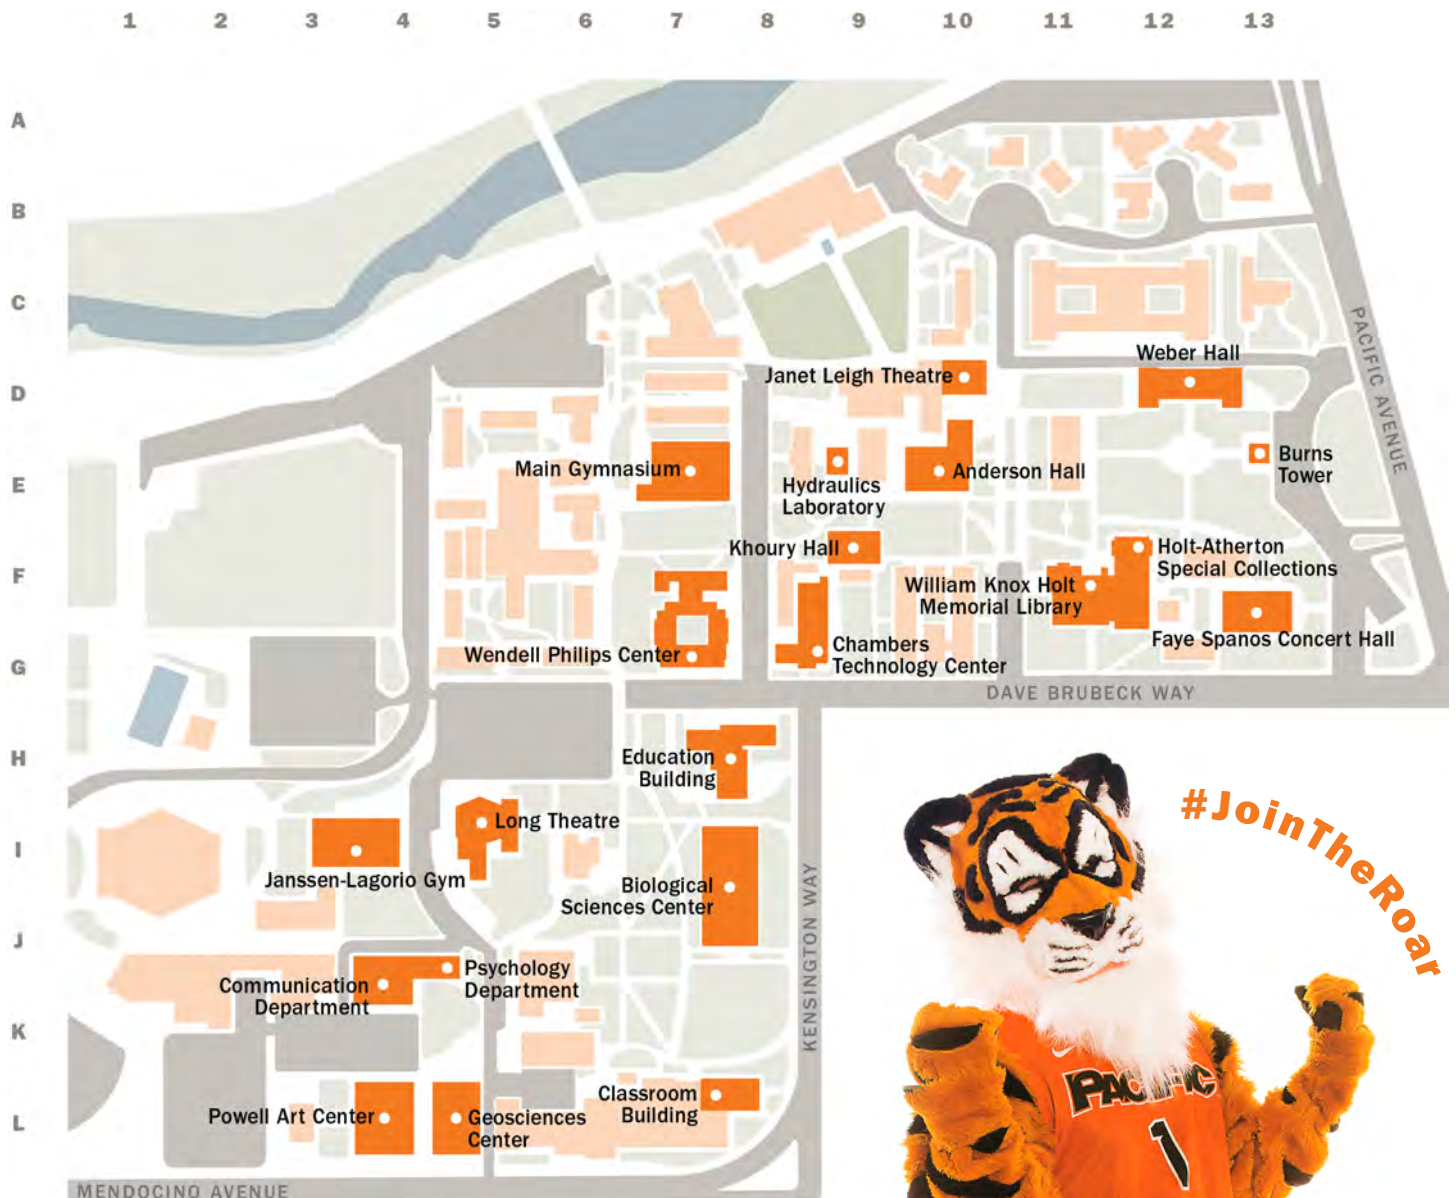

» Biological Sciences Center 141 (I,7)

Pre-Pharmacy

» Faye Spanos Concert Hall (F,13)

School of Engineering and Computer Science

» Janet Leigh Theatre (D,10)

1:45 – 2:30 pm

Academic Explorations

Various Locations (See below)

See what makes a degree from Pacific so impactful and how it will shape your future.

ACADEMIC EXPLORATIONS

Art and Graphic Design

» Powell Art Center 209 (L,4)

Project presentations by art student Leila Valencia and graphic design student Emilie Jenkins.

Biology Research Labs Open House

» Biological Sciences Center 101 (I,7)

Tour of the Biological Sciences building and research labs. Participating faculty will introduce their research and talk about student opportunities in their labs.

Your Future in Chemistry and Biochemistry

» Classroom Building 170 (L,7)

Presentation and tour of labs

Meet Communication Faculty and Students

» Communication Department (K,3)

Faculty and students will discuss the major and experiential learning opportunities, and provide a tour of the radio station.

Learning Beyond the Classroom

» Wendell Phillips Center 140 (G,7)

Learn about experiential learning opportunities in the humanities and social sciences like study abroad, internships and undergraduate research.

Geological and Environmental Sciences Tour

» Geosciences Center (L,5)

Guided tour of the Kautz Gem and Mineral Collection and the Bon Appetit Rock and Native Plant Garden

Health, Exercise and Sport Sciences

» Main Gymnasium 118 (E,7)

Demonstrations to include laboratory activities for Health, Exercise and Sport Sciences majors

2:30 – 4:00 pm

Closing Reception

Janssen-Lagorio Gym

Ask that last-minute question, meet with a financial aid counselor, take a tour of a residence hall, confirm your enrollment and become a Tiger! See back page for more details.

Exploring History: Documents to VR

» Holt-Atherton Special Collections (F,12)

Explore Pacific's historical documents in the archives with history students and faculty. See how history students turn their research into traditional and virtual reality formats.

Beyond Plato: Geometric Construction

» Classroom Building 103 (L,7)

Materials available to construct polyhedral, three-dimensional shapes important in geometry.

Careers in Actuarial Science

» Classroom Building 104 (L,7)

Video and discussion about the field of actuarial science

Filmmaking Experience

» Long Theatre (I,5)

Hands-on filmmaking demonstration

What Can You Do With Physics?

» Biological Sciences Center 142 (I,7)

Explore displays of physics projects with liquid nitrogen and telescopes.

Fact or Fiction: Myth-busting in Psychology

» Psychology Department 137 (J,5)

Learn myths of psychology and why science is so important.

"Is that your best offer?"

» Weber 209 (D,12)

Learn negotiation tips and techniques in an interactive Eberhardt School of Business classroom experience.

Learning through games and virtual reality

» Chambers Technology Center 114 (G,9)

Students will provide demonstrations of learning games and activities on computers and through virtual reality.

Civil Engineering Projects and Labs

» Hydraulics Lab (E,9)

See examples of past senior projects and tour the labs where they were made.

Engineering Management: Projects are our thing

» Hydraulics Lab (E,9)

Meet current students, view senior projects on display and learn about the Pacific Innovation and Entrepreneurship Summit competition.

Innovations in Biomedical Health

» Chambers Technology Center 210 (G,9)

Explore bioengineering pathways to industry, research, medicine or health professions.

Robots, Power and Computers

» Anderson Hall 105 (E,10)

Demonstrations and posters presented by students and faculty.

What's happening in Mechanical Engineering

» Khoury Hall 101 (F,9)

Manufacturing, surgical operation techniques, materials demonstration.

Understanding the Art of Teaching

» Education Building (H,7)

Participate in an activity that explores teaching skills needed to adapt to diverse learning styles in the classroom.

TIGER DAY SCHEDULE

10:00–10:30 am
