[Annie's Homegrown, Inc., Environmental Studies Scholarship](#)

The program assists undergraduate or graduate students who are environmental advocates and are focusing on study in Sustainable & Organic Agriculture. The program gives 25 awards annually of \$1000 each. This money can be used for tuition, books, and other educational expenses. Annie's accepts applications postmarked between February 1st and July 1st.

[Brower Youth Awards](#)

The Earth Island Institute offers six awards annually, to assist with educational costs or to further the applicant's environmental work. The award includes \$3000 cash. Application deadline is April 15th.
