

Dear Callison College and School of International Studies Alums and Classmates---

Great news just in time for Thanksgiving---we've reached our \$30,000 fundraising goal, and the **Callison College & School of International Studies Room** in the renovated Holt Library will become a reality! Many, *many* thanks to the 109 donors (to date) who have helped achieve the goal of establishing the room that will reflect Pacific's historic commitment to international and cross-cultural studies and encourage that important commitment to continue.

While the primary fundraising goal has been reached, we want to assure anyone who would still like to donate that their contributions are still welcomed and will be used *exclusively* for the Callison College & School of International Studies Room. Our upcoming task (and cost) is to furnish the room with exhibits and displays of memorabilia that reflect the school's rich legacy and effectively represent Callison and SIS and the significance of the alumni and professors. Any further funds will be designated for the specific upkeep of the Callison College & School of International Studies Room.

Fundraising for the room will end on December 31, 2019. The dedication will be held on March 19, 2020. We hope you can attend.

Thank you all again for your support of Callison College and the School of International Studies!
